

# THE LEELANAU SCHOOL

*A Better Way to Learn*

On the shores of Lake Michigan, is a 9-12 grade boarding school which has been successfully preparing bright students for college for 89 years. One of our sophomores said this about her love of The Leelanau School, "I don't get home sick when I am at school, I get "school sick" when I am home."

Wouldn't you like to find out how our students  
become passionate about learning?

Join us for a reception to meet JD Friley, our new  
Head of School, and other staff of our school.
